

is pleased to announce that its client

has been awarded loan and grant monies from the U.S. Department of Agriculture through funding made available by the American Recovery and Reinvestment Act, totaling:

\$49,679,709

The funding will provide the necessary infrastructure to provide advanced voice, video, and data services that exceed 20Mbps to remote and rural communities in the service area.

Bodamer Consulting led the team in the preparation of the business case, pro-forma financial model and ARRA Application in support of North Central's Business Plan.
