

is pleased to announce that its client

has been awarded a grant from the U.S. Department of Agriculture through BIP Round 2 funding made available by the American Recovery and Reinvestment Act, totaling:

\$9,187,245

The funding will enable South Central Communications to expand the reach and adoption of its high speed access and associated voice, video and data services to the rural, remote communities, State and National Parks and Monuments in south central Utah.

Bodamer Consulting was strategically instrumental in the preparation of the business case, pro-forma financial model and ARRA Application in support of South Central's Business Plan.
